# Welcoming you to our New Office Location: 363 North Belt

Our software development and client service team has moved into leased office space to better serve our customers, and partners. Several have asked for available meeting space to conduct training, presentations, encouraging sharing, teamwork and richer collaboration and this leased space allows us to accommodate these tasks for us and our partners. Our office address is:

363 North Sam Houston Pkwy E

Suite 1100

Houston, TX 77060

We want to welcome you our valued clients and strategic partners, and personally invite you to schedule a meet up if you ever find yourself in the Houston area. The office allows for informal coffee, trainings, networking and presentations including refreshments and drinks. We want to thank you for your continued support, encouragement, patience and good example. May God bless you and to greater heights
